SUBJECT: DoD Best Practices Database

DoD components have worked hard to improve processes for all our members. To highlight these improvements, we maintain a Best Practices Database at <http://quality.disa.mil>. DoD members can search current best practices and submit new ones online. More than 150 people visit this site each week seeking better ways to accomplish their missions.

I invite you to use this database to accelerate DoD's transformation efforts.

A handwritten signature in black ink, appearing to read "Raymond F. DuBois", is positioned above the printed name.
